PRIVACY STATEMENT

Kingdom Healthcare Center is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the Kingdom Healthcare Center website and governs data collection and usage. By using the Kingdom Healthcare Center website, you consent to the data practices described in this statement.

Collection of your Personal Information

Kingdom Healthcare Center collects personally identifiable information, such as your e-mail address, name, home or work address. Kingdom Healthcare Center also collects anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests, and favorites. There is also information about your computer hardware and software that is automatically collected by Kingdom Healthcare Center. This information can include: your IP address, browser type, domain names, access times, and referring website addresses. This information is used by Kingdom Healthcare Center for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Kingdom Healthcare Center website. Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through Kingdom

Healthcare Center public message boards, this information may be collected and used by others. Note: Kingdom Healthcare Center does not read any of your private online communications. Kingdom Healthcare Center encourages you to review the privacy statements of websites you choose to link to from Kingdom Healthcare Center so that you can understand how those websites collect, use, and share your information. Kingdom Healthcare Center is not responsible for the privacy statements or other content on websites outside of Kingdom Healthcare Center.

Use of your Personal Information

Kingdom Healthcare Center collects and uses your personal information to operate the Kingdom Healthcare Center website and deliver the services you have requested. Kingdom Healthcare Center also uses your personally identifiable information to inform you of other programs or services available from Kingdom Healthcare Center and its affiliates. Kingdom Healthcare Center may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered. Kingdom Healthcare Center does not sell, rent, or lease its contact lists to third parties. However, Kingdom Healthcare Center may share data with trusted partners to help perform statistical analysis, send you email, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Kingdom Healthcare Center, and they are required to maintain the confidentiality of your information. Kingdom Healthcare Center does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent. Kingdom Healthcare Center keeps track of the websites and pages our users visit within Kingdom Healthcare Center, in order to determine what services are most popular. This data is used to deliver customized content and information within Kingdom Healthcare Center to users whose behavior indicates that they are interested in a particular subject area. Kingdom Healthcare Center websites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) comply with legal process served on

Use of Cookies

The Kingdom Healthcare Center website uses “cookies” to help personalize your online experience. A cookie is a text file placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you and can only be read by a web server in the domain that issued the cookie to you. Cookies provide a convenience feature to save you time. The purpose of a cookie is to tell the web server that you have returned to a specific page. For example, if you personalize Kingdom Healthcare Center pages or register with Kingdom Healthcare Center site or services, a cookie helps Kingdom Healthcare Center recall your specific information on subsequent visits. When you return to the same Kingdom Healthcare Center website, the information you previously provided can be retrieved, so you can easily use the features that you customized. You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you can modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Kingdom Healthcare Center services or websites you visit.

Security of your Personal Information

Kingdom Healthcare Center secures your personal information from unauthorized access, use, or disclosure. Kingdom Healthcare Center stores the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use, or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through encryption such as the Secure Socket Layer (SSL) protocol.

Changes to this Statement

Kingdom Healthcare Center will occasionally update this Statement of Privacy to reflect organization and user feedback. Kingdom Healthcare Center encourages you to periodically review this Statement to be informed of how Kingdom Healthcare Center is protecting your information.
